

CORNELIUS LAMBERT.

JANUARY 3, 1832.

MR. HUBBARD, from the Committee on Revolutionary Pensions, made the following

REPORT:

*The Committee on Revolutionary Pensions, to whom was referred the petition of Cornelius Lambert, report:*

That it appears, from the affidavit of the petitioner, that he enlisted into the continental service, in the Spring of 1780, for the period of one year, and was attached to the Quartermaster's Department under the command of Col. Hews; that he was stationed at King's Ferry, in the State of New York, and was employed as a ferryman from that time until the expiration of his enlistment, when he received an honorable discharge from said service; which facts are fully proved by the testimony of Abraham Hitchcock, a soldier of the revolution.

It also appears, from the affidavit of the petitioner, that he enlisted into Col. Drake's regiment, in the year 1776, for five months; that he was attached to Gen. Scott's brigade; that he joined the army on Long Island, and remained with it during its retreat to the White Plains, in the county of Westchester, in the State of New York; that afterwards, in the year 1777, he enlisted into Col. Luddington's regiment for four months; and after the expiration of said term of service, he again enlisted into Col. Graham's regiment, in the said State of New York, for one year; and that after the expiration of said enlistment, he received an honorable discharge from said service.

It also appears that the petitioner is 80 years of age, and that he is in indigent circumstances, and stands in need of the assistance of his country for support.

The committee are of opinion that the petitioner is entitled to a pension, and therefore report a bill.
